

September:

National *Honey* Month

National Honey Month is a celebratory and promotional event held annually during the month of September in the United States. It's purpose is to promote American beekeeping, the beekeeping industry, and honey as a natural and beneficial sweetener.

We have created a September calendar full of activities and videos to celebrate National Honey Month!

You will find an elementary level calendar and a middle/high school level calendar. There are some crossover activities you will find on both options. Included are printable calendars that you can hang on your wall or refrigerator, as well as lists of corresponding clickable links to the instructions for each of the activities! We hope you enjoy this fun new #AdventureExtra and will tag us in your activities this month.

September National HONEY Month

(PreK/Elementary)

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
