

December: Art, Architecture & Design Month

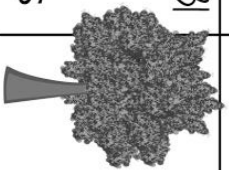

Art, Architecture & Design Month. The Mission of Art, Architecture & Design Month is to enhance public awareness of the importance of art, architecture and design in our communities; to appreciate how these elements contribute to the beauty and livability of our city, and to celebrate the artists, architects and design professionals whose work enriches the lives of all citizens

We have created a December calendar full of activities and videos to celebrate Art, Architecture & Design Month! You will find an elementary level calendar and a middle/high school level calendar. There are some crossover activities you will find on both options. Included are printable calendars that you can hang on your wall or refrigerator, as well as lists of corresponding clickable links to the instructions for each of the activities! We hope you enjoy this fun new #AdventureExtra and will tag us in your activities this month.

Art, Architecture
& Design Month

December

Preschool &
Elementary

SUN	MON	TUES	Wed	THURS	FRI	SAT
		1 STRAW ARCHITECTURE FOR KIDS	2 Architecture coloring pages	3 THE INSECT ARCHITECT ACTIVITY	4 Building with Wood	5 Watch: Fallingwater
