

## *November: Aviation History Month*

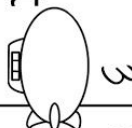

**Aviation History Month.**When it comes to Aviation History Month in November, there's plenty to celebrate. From the first balloons sent up into the atmosphere to every device invented that elevated humans above the earth, our imaginations have been captured by the idea of flight. Aviation History Month recognizes the achievements of the men and women who make it happen.

We have created a November calendar full of activities and videos to celebrate **Aviation History Month!** You will find an elementary level calendar and a middle/high school level calendar. There are some crossover activities you will find on both options. Included are printable calendars that you can hang on your wall or refrigerator, as well as lists of corresponding clickable links to the instructions for each of the activities! We hope you enjoy this fun new #AdventureExtra and will tag us in your activities this month.

Aviation History Month

# November

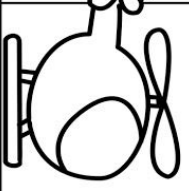

Pre-school Elementary

SUN	MON	TUES	Wed	THURS	FRI	SAT
Virtual tour Museum of Flight 1	Measuring Distance With Paper Planes 2	Fun Flight Facts 3 	Genius of da Vinci and Wright Brothers 4	Amelia Earhart Doodle Notes, Coloring Page and Paper Doll 5	Animated History Of Aviation 6	Space Center Houston Virtual Tour 7
